## Welcome to the Taalkit Dutch

You are in the Netherlands.  
The **Taalkit Dutch** is a language programme.  
With this language programme you can learn Dutch.

### The Taalkit Dutch

In the centre you will first learn words and you can do language tasks.  
You will learn the words that you need most in daily life.  
You can get help or you can work on your own.  
In the centre you will receive worksheets. You will also learn about interactive apps for Dutch language learning.

In the library you can also start with online lessons at [www.oefenen.nl](http://www.oefenen.nl). At the library your will get a login code. With this code you can do your lessons any time, any place.

The lessons offer exercises, songs, videos and games. You can do exercises for reading, writing, listening, and the pronunciation of words, phrases and short texts. You can work on your vocabulary with additional exercises.
